

Getting Involved

After coming to freshchurch for a couple of weeks you may decide to make it your church. If so, fantastic—welcome aboard! But the next question you may have is—'how can I get involved?' In answering that question, here is some things to think about....

Our mission statement at freshchurch is 'growing as followers of Jesus'. This statement summaries our desire for you. And we believe that you can grow in your relationship with Jesus as you spending time looking at the bible, and you become part of genuine and caring relationships.

Because of this, we don't want you to rush into different areas of service at all! The first priority is being regular on Sundays and regular to a mid-week growth group. It's in these ways that you'll learn more about Jesus and get to know others and have the opportunity to support and be supported. We can't overstate the importance of growth groups in the church life of freshchurch enough.

But if those two things are in place for you - regular attendance on Sunday and regular attendance at a growth group, sure we want you to be involved in practical ways! Growing as a follower of Jesus means following in Jesus' footsteps, that is, to serve others. We all have gifts that can be of benefit of others and help make church a great community.

On a Sunday morning there are many ways you might be able to serve:

- Morning Tea
- PA Desk /Audio-Visual
- Public Prayer
- Public Bible Reading
- Door Duty
- Welcoming
- KidzBiz
- Signage Set Up—because we meet in a school each week, we want people to know how to find us.
- Set Up & Pack Up—because we meet in a school each week, there is furniture to move.

Do any of these areas interest you? We would love to have a conversation to get to know you more, hear what you would like to be involved in and let you know where our current needs are.
